

Fig. H.1

Hydroelastic unit

- A. Interconnecting pipe.
- B. Rubber spring.
- C. Damper bleed.
- D. Butyl liner.
- E. Taper piston.
- F. Damper valves.
- G. Fluid separating member.
- H. Rubber diaphragm (nylon-reinforced).
- J. Taper cylinder.

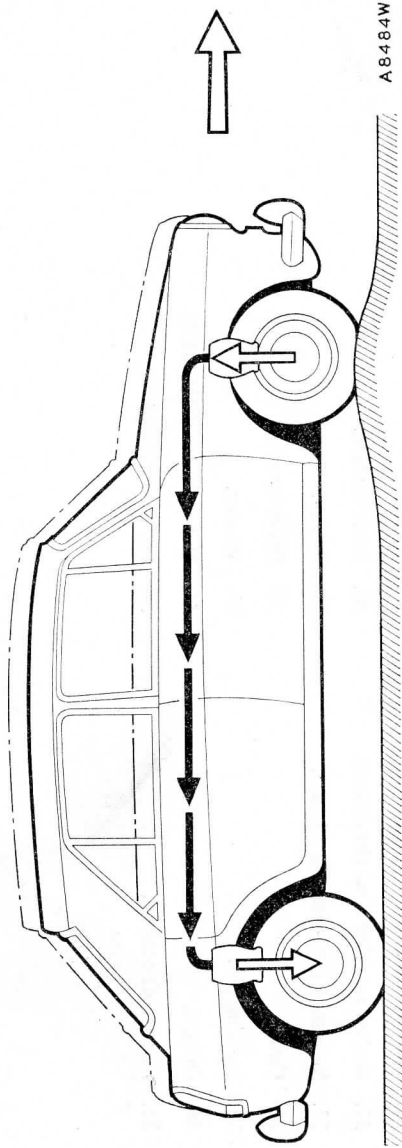

Fig. H.2

Tail rises in response to upward motion of front wheels

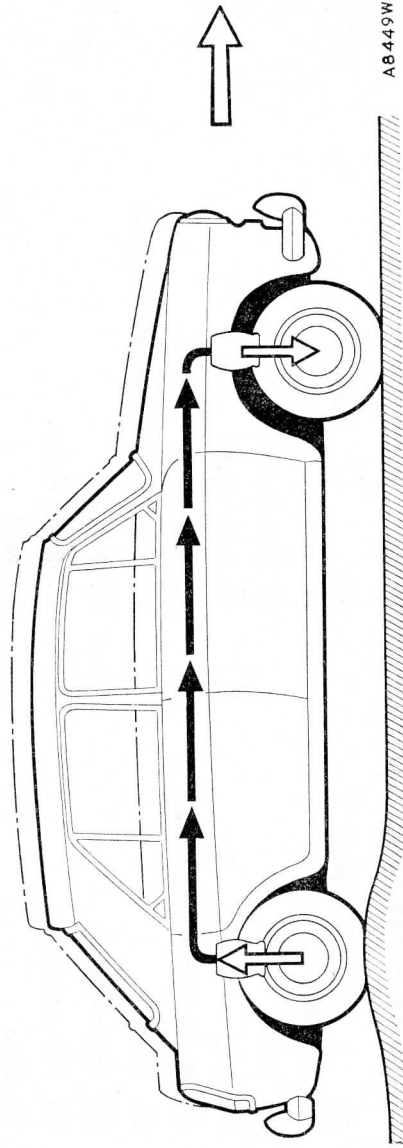

Fig. H.3

Nose rises in response to upward motion of rear wheels
